

## Holton Steel Toe SB FO HRO SRC Work Boot

The Holton is an iconic Caterpillar work boot and a must-have for those working in industrial environments such as carpentry, construction and agriculture. The Holton's Goodyear welted outsole promises a quality boot that will last wear after wear. The boot's durability is reinforced in its triple-stitched load bearing seams and heat, fuel and oil-resistant outsole. Also featuring an energy absorption heel, slip-resistance and steel toe, the Holton is an ideal work boot.
